Finally, we are always happy to speak to you about your child's education or issues that affect their education. If we cannot help you directly, we will ensure you are put in contact with the person/s that can assist you. If we are not available when you call, it is only because someone else 'got in' before you, but we will always endeavor to get back to you if someone else cannot assist you. We look forward to knowing that our faith in God will strengthen all of us as we work to ensure the very best Catholic Education possible for those in our care.

Warm regards
