At school we are interested in your child's

- Wellbeing and happiness
- Engagement with learning in the classroom
- Social and emotional development

The single most important thing you can do to support all of these areas is ensure they attend Every Day

1. Set the Expectation

every learner
every day 

Good attendance starts with families making school a priority.

Absences add up quickly!

2. Start Early

Set good patterns from Kindergarten

But it is never too late start improving attendance

3. Communicate with school about every absence

The Attendance roll is a legal document

We are required to keep a record that your child is present -
or the reason why they are absent for every school day

every learner
every day 

4. Expect Challenges

It's not unusual for children to resist coming to school at times.

Recognising the problem and addressing it early helps.

Be firm

5. We need to work together

When problems arise, let us know

We all want your child to be happy and engaged, and to reach their full potential!
