From the Principal - Mr Fanning

This term we have witnessed a number of exciting and energizing college events which have included our 2016 HSC High Achievers Assembly, the Year 7 Welcome BBQ, the Opening School Mass and our recent Open Evening. Each event has helped develop our great community at St John Paul II and each one has enhanced our community faith formation and educational endeavours.

Onto matters of practical importance to current families it must be noted that the changeover from summer to winter uniform for Term 2 is always difficult to determine with our changing weather patterns. However, we have decided that Week 1 being the changeover period when students can choose to wear winter or summer uniform — not a mixture of them — depending on the weather, with the beginning of Week 2 being the time all students should be in their Winter Uniform.

To assist with your planning, our next Staff Learning - Pupil Free Day is Monday 24 April with Tuesday 25 April being ANZAC Day - Public Holiday. Thus all Year 7-12 students will return to classes for the commencement of Term 2 on Wednesday 26 April.

PRAYER

On Sunday we process into the Church accompanied by shouts of 'Blessed is he who comes in the name of the Lord!', only to hear, in the second Gospel of the day: 'Crucify him! Crucify him!' What do we do with this? How can we go forward and not be manipulated by the crowd that shouts 'Hosanna' one moment, and a week later calls for Jesus' death? Perhaps the best way to travel this last week — the only week in the Church's year that we call Holy — is to do so in the company of the poor and the broken, the marginalised, the innocent, the abused.

FROM THE ASSISTANT PRINCIPALS: Ms Refalo, Mr Regan & Ms Roach

"We make a living by what we get. We make a life by what we give."

Winston Churchill

Throughout Lent we have supported Caritas Australia through alms giving. Alms is an antiquated term that means giving to others as an act of virtue. Alms giving is considered an act of mercy because we are giving to those who are less fortunate than ourselves and in doing so, we make a sacrifice of the self. As a Catholic school our mission is to educate the heart and the mind. This Easter we encourage our students to give generously (this may not be financially), and to remember it is a Holy and Blessed occasion - the death and resurrection of Christ is the foundation of our faith; it is what makes us Christian and Catholic.

Our Assistant Principals have some very special and important messages for each of their Stage groups around learning, pastoral care and this special time of year.

LATEST NEWS

EASTER LITURGY WITH A TWIST

This year's Easter Liturgy focuses on the 'Washing of the Feet', the act of service & how we are all called by Jesus to wash the feet of our neighbours. The liturgy was centred around a boat that symbolises journey and hope, representing those people in our world that are marginalised, challenging us to love our neighbours and serve others.

STAGE 5 UPDATE: ELECTIVES & LEARNING ENRICHMENT

Year 11 have quickly settled into life at Nirimba. In their first term they have participated in liturgies, attended excursions and have undertaken a six week program on developing their study skills and understanding how their preliminary and HSC years will work. It has been a frantic term for the year 12 cohort. Amazingly, the year 12 students are half way through their final year of school. Term 1 has included significant events, such as receiving their jerseys, a special BBQ breakfast and half yearly examinations.

COUNSELLOR'S CORNER

Research tells us that 70-80% of people who go to counselling about relationships and life's problems benefit from it, an improvement is that double the rate of those in control groups. But there are many types of counselling available from people trained with varying qualifications.

So how do you choose? Counsellor? Family therapist? Psychologist? Psychiatrist? Social Worker? Psychotherapist? Research suggests that there is very little difference in effectiveness, if any, between mainstream types of treatment. They all have good evidence to show they work with similar impact. (Note, this is true of mainstream treatments and may not be true of others.) What makes a bigger difference are factors that are common across types of therapy and therapists.

In summary: counselling works best when you (the client) believe it can actually help, and your counsellor can form a positive relationship with you where you both work together to make things better using an evidence-supported therapy.

ABSENCES ADD UP!

DID YOU KNOW

1 IN 4

SECONDARY STUDENTS ARE NOT
ATTENDING SCHOOL REGULARLY!

EACH DAY MISSED:

- ▶ Puts your child behind and makes it harder for them to catch up
- ▶ Can lead to lower achievement in reading, writing and numeracy
- ▶ Can lead to gaps in learning and social connections

WHAT PARENTS CAN DO

IT'S NEVER TOO LATE TO IMPROVE ATTENDANCE

- Going to school more often can make a difference.
- Attendance habits will follow your child into work and life

SCHOOLS ARE THERE TO HELP

If you're having attendance issues with your child, speak to your school about ways to address it.
