Year 11 – 2022 Subject Selection Information

Dear Parents/Carers,

The first stage of the Year 11 2022 Subject Preference has commenced. To date, your son/daughter has received initial information about:

- the subject preference process;
- the different HSC pathways available; and
- specific subjects.

Throughout the remainder of Term 2 and during Term 3, students will be provided the opportunity to attend classes and workshops at our Nirimba Campus. Details about these visits will be provided at point of need.

Important Events for Parents & Carers

Stage 6 Subject Market and Information Evening

Monday 24 May, 5.30pm - 7.30pm

St John Paul II Nirimba Campus Nirimba Hall

Evening structure:

5.30 - 6.15 - Subject Market. This is an opportunity for students, parents and carers to receive further information about specific subjects from the teachers who are experts in the area. This information will greatly assist students to preference suitable subjects via the online portal.

6.15 - 6.45 - Stage 6 Information. This presentation will provide an overview of the most important information required at this stage about HSC pathways, pattern of study requirements and subject suitability.

6.45 - 7.30 - Subject Market cont. This is for those who were unable to attend earlier or who did not have time to visit all subject stalls. This information will greatly assist students to select preference suitable subjects via the online portal.

The subject preferences online portal will be open Monday 31 May until Monday 7 June. Students will receive information on how to access the portal via an email from noreply@selectmysubjects.com.au.

Term 3 (date TBA): Subject Preference Interviews at St John Paul II Schofields Campus

All Year 10 students with their parents or carers will have the opportunity to discuss their Stage 6 subject preferences and complete the Subject Selection Form with guidance from a member of the College Executive, Stage 5 or Stage 6 Leadership Team. Interviews will be booked via the School Interview Portal. Further information and the event code will be provided in Term 3.

If you have any questions or concerns, please don't hesitate to make contact Ms Alyssa Roach at the College.
