2 May 2022

Dear Parents/Carers of Year 12 students,

I am writing to inform you that this year the college will conduct *Year 12 Senior Study After School Sessions* on Wednesdays each week. The Senior Study will start in week 5 (25th May) and continue till Week 8 Term 3 (7th September 2022).

One purpose of giving this opportunity to senior students is to provide them with an environment which is conducive to study and I have listed below the following expectations.

- Students attending Senior Study are expected to be present from 2.40pm till 5.00pm. Students are not allowed to leave early unless they have a note.
- Students are expected to work independently and quietly. The Seminar rooms in the library can be booked for group work and are subject to availability.
- Senior Study Nights are for study not for socialising.

There are also some administrative expectations that need clarifying.

- Supervision of Senior Study Nights is from 2.40pm till 5.00pm. Supervision cannot be provided from 2.15pm to 2.40pm.
- Food and drink cannot be consumed during Senior Study Night. It is expected students will have adequate food and drink before they attend study night.
- At the conclusion of each session, students are expected to go straight home and have transport arranged for a 5.00pm pickup outside the carpark area of the College.
- Students will be in college uniform.

If you have further questions, please contact Mr Wijesekera during school hours.

Yours sincerely,

Nal Wijesekera
Acting Assistant Principal

Senior Study Night 2022

The study session starts at 2:40 pm and ends at 5:00 pm on Wednesdays. It is a wonderful opportunity for students to **study**, it is NOT a social evening!

Some important guidelines:

- Students gather outside Silver Seats near Room 22 before/by 2:40 pm
- Once the students are in the room, they do not leave at any stage (unless they need the bathroom).
- Students are NOT permitted to arrive late or leave early unless they have made prior arrangements with the Stage Team, have a valid reason for leaving early, and produce a parent note.
- A roll will be taken
- Mobile phones are only to be used if necessary.
- Group work can take place in breakout rooms from 2:40pm but noise must not impact on those in the main section of the room.
- Noise levels must be minimised to ensure everyone can work in a productive environment.
- There is to be NO eating or drinking (water is acceptable)
- If any furniture is moved at any point during the session, it must be moved back to its original location.
- Around 4:50pm, students are to start packing up.
- Students exit through the main college entry

If there are any issues or concerns, please let me know.
